Our Rebrand Frequently Asked Questions

Q: What's changing?

A: Pendragon Management has evolved and will now operate under the name **Accelerate Workforce Solutions**.

This reflects the broader workforce solutions we now deliver across contractor management, payroll, compliance, migration and workforce strategy.

Q: Why the change?

A. Our business has grown significantly over the last couple of years. While Pendragon Management has served us well, the **Accelerate Workforce Solutions** name better represents:

- The scale and scope of services we now provide
- Our role as an end-to-end workforce partner
- The future direction of our business

Q. When is the change?

A: The name change was made effective 1 March 2026.

Q: Is this a new company?

A: No.

- This is a brand change only.
- The legal entity remains the same
- The ABN remains the same (ABN: 49 087 015 861)
- Ownership and management remain the same

Q: Do our contracts or agreements change?

A: No.

All existing Contracts, Master Service Agreements (MSAs), and Commercial terms remain valid and unchanged. There is no requirement to re-sign anything as part of this change.

All compliance obligations, registrations, and insurance policies remain exactly the same under the existing legal entity.

Q: Do we need to do anything?

A: No action is required from you. The transition is being managed by us to ensure continuity and minimal disruption. If you do require a formal letter of change, please reach out to your Client Services Manager.

Q: What about email addresses?

A: As part of the rebrand, our email addresses will transition to @accelerateworkforce.com.au.

Any emails sent to an existing @pendragon.net.au address will automatically redirect, so nothing will be missed and no immediate updates are required on your side.

Q: Will systems, portals or documents look different?

A: You will notice updated branding on:

- Emails and documents
- Portals and platforms
- Invoices, Payslips and reports

The underlying systems, data, and processes remain unchanged.

Q: Who do we contact if we have questions?

A: Your usual point of contact remains your first port of call.
